

Leafy green smells led the bear to new fun.

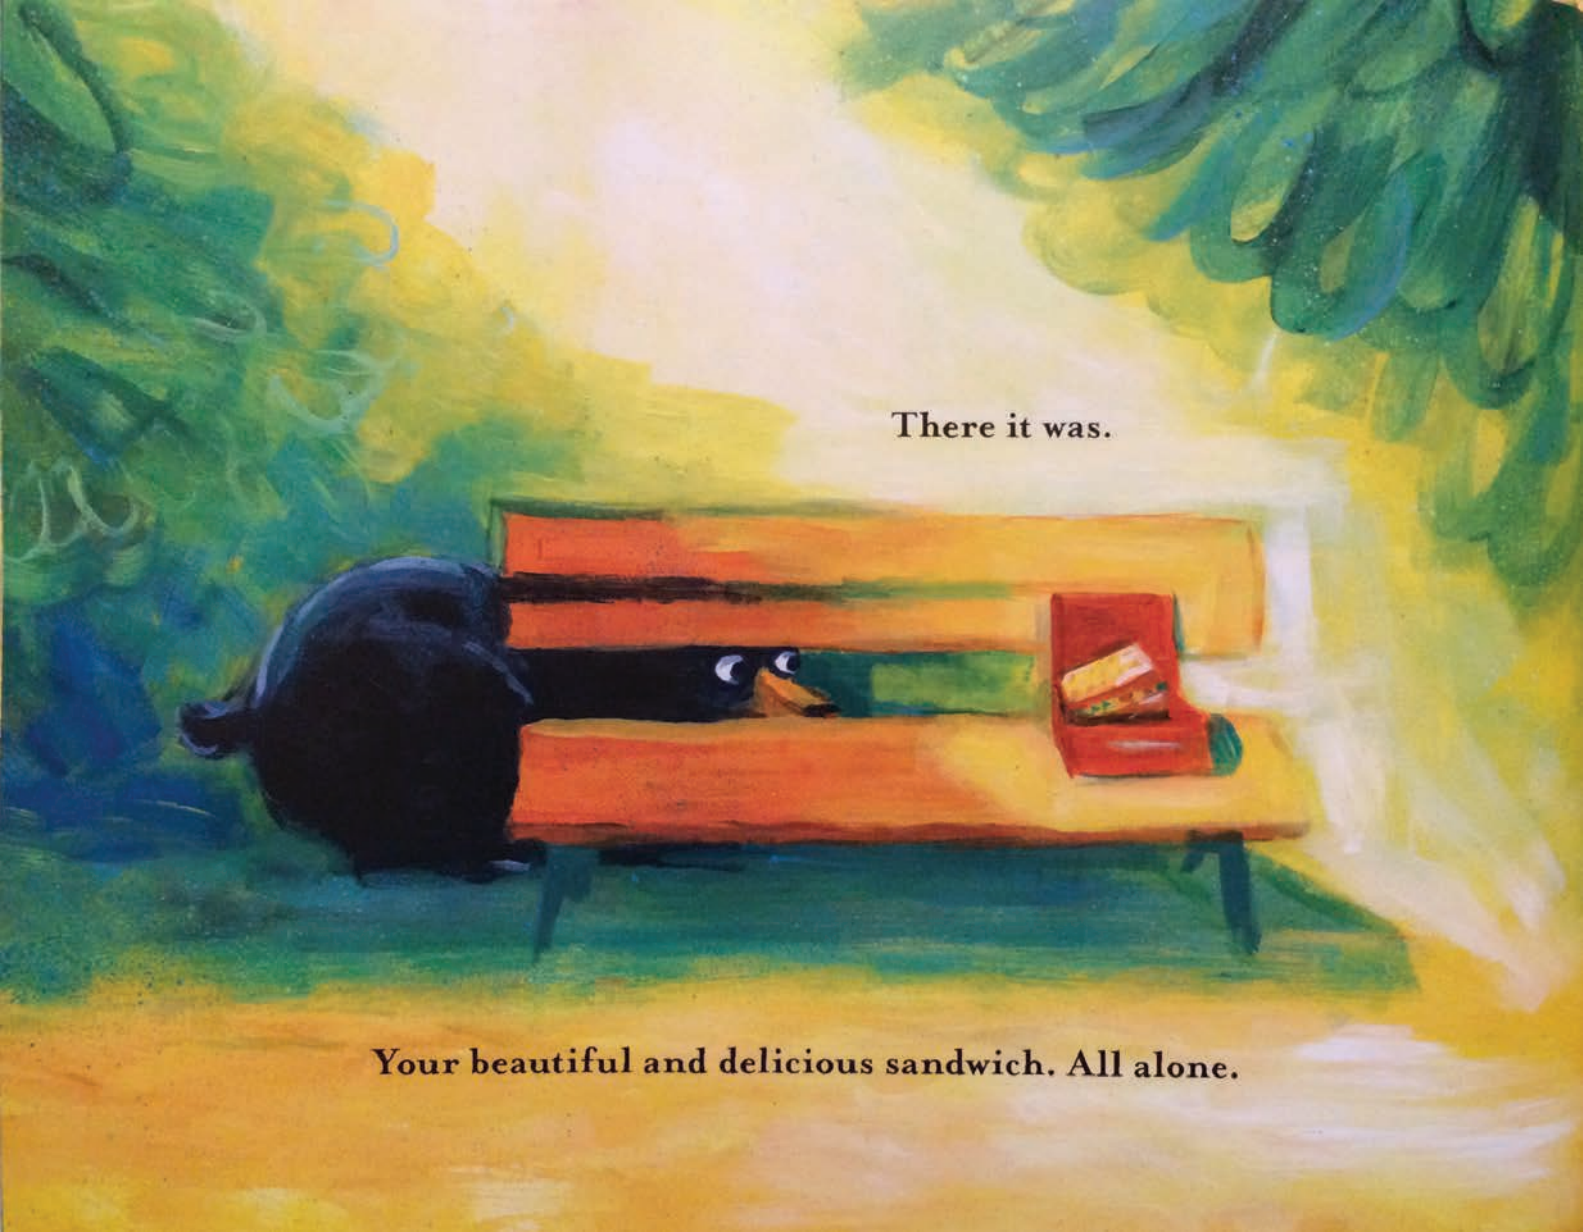

And *that* is when

he

saw

it.

A painting of a bear sitting on a wooden bench in a park. The bear is dark brown and is hunched over, looking at a large sandwich on the bench. The sandwich is wrapped in red paper and has a yellow filling. The background is a soft, yellowish-green, suggesting a sunny day in a park with trees and grass. The text "There it was." is written in a simple, black font above the bench.

There it was.

Your beautiful and delicious sandwich. All alone.

He waited to make sure no one saw him

(not even the sandwich)

before he made his move.

It was such a great sandwich.
The bear loved it.

But just as he was
almost finished,
he heard

Sniff
Snuffle
Slobber
Snort

behind him.
